

MALARCHY

Technical Requirements

5 musicians

Stage Shows:

- 3 x D.I. Boxes - for guitar, violin, and bass.
- 2 x Vocal Microphones (SM58 / AKG C900 or similar).
- 4 x Instrument mics (AKG C1000s, SM57 or similar) - for percussion and accordion.
- 6 x Microphone Stands
- 5 Chairs - Dining table height, no arms.
- 240 volt 13 amp Mains electricity supply.
- Digital FX - Reverb, Compression.

We prefer to use Mackie equipment:

SRM450 Active Speakers

CFX16 Mixing Desk.

The mixing desk should have phantom power.

3 Stage Monitors - active Peaveys will be fine.

Preferred Backline - 2 x AER Compact 60 amplifiers.

- 1 x Gallien-Kruger Bass amplifier

We can arrange P.A. hire.

Static street performance:

Clear flat space 5m x 5m approx.

Awning, pagoda, shelter or similar in event of wet weather.

240v, 13 Amp AC mains electricity supply.

Further Requirements:

Hot and cold non-alcoholic drinks.

Parking for two vans, without any height restrictions.

Changing facilities, as appropriate.

Where the promoter has agreed to provide catering - 1x Vegan meal, 4x Vegetarian meals.

Where the promoter has agreed to provide accommodation - 2 Doubles & 1 Single

We have access to much of the necessary equipment, and can arrange hire at reasonable rates. Please enquire for further information.
